Growth Mindset

We have been focusing on developing Growth Mindset with our pupils. We have been talking about the differences between a 'Fixed Mindset' and a 'Growth Mindset'.

Growth mindset occurs when we believe our intelligence and abilities can be improved upon with effort and perseverance. We will try to include information for parents on a regular basis within these newsletters.

As a starting point, here are some positive things that you can say to your child.

Summer Fair

Our Summer Fair raised £744.
