Social distancing and restrictions

The circuit break rules state everyone must-

- Stay at least 2m away from anyone that you don't live with.
- You must not meet up with anyone you do not live with (except for very limited circumstances)

For the safety of everyone in our school community, we ask that all parents ensure that they remain 2m away from other households when dropping off or collecting children.

In the morning- please arrive at your child's start time. We ask that you drop off your child and leave the school site as soon as you can. You do not need to wait until your child enters the building as we need to limit the number of people on site at any one time.

At home time- please arrive at the correct time to collect your child and leave the school site as soon as possible.

Thank You for your ongoing support in keeping our school community safe.

Can we please remind all parents of the guidance set out below.

It is really important that your child does not come to school if they or anyone in your household is displaying symptoms. Please keep us informed.

You can contact us during school hours on 02920 619022 or allensbankprm@cardiff.gov.uk

At the weekend or outside of school hours please email allensbanki5@hwbcymru.net
