As usual, this will be a busy school year with many additional activities taking place to support your child's education. We will keep you informed of events via our regular newsletters. These are emailed to parents and displayed on the school notice board. Information is also available on our school website, our school Twitter accounts and via text message.

Support your child in their learning.

We are holding two information sessions for parents on the 3rd and 10th of October at 2.45pm. Come and find out about how we teach Maths and Literacy and how you can support your child.
