School Attendance

Great news! Whole school attendance for 2017-2018 was 94.1%. Regular attendance at school is really important in order to ensure that your child makes the best possible progress. Pupil attendance of 95% or below is considered likely to impact on your child's attainment in school. We therefore work closely with our attendance officer to monitor registers and contact parents where attendance of concern.

Class Assembly

Parents of pupils in Year 2 (Class 3) are invited to their Class Assembly on Friday 30th Of November at 11am.
