

## Eco Rap Code.

We are Ecos  
Here to tell you,  
Something about us  
And what we do,  
But we also need you!

We want you to be healthy,  
So eat lots of fruit,  
Bananas, apples and mangos  
too.

Help us save energy  
Switch off your lights,  
Computers and devices too  
It will be nice.

Water is important,  
It keeps us alive.  
Turn off those taps,  
And give a high 5!

Pick up your litter,  
Use the BINS!  
Don't be lazy,  
Use your pins!

Everyone is different,  
But we're all friends.  
Do good deeds  
And friendship will never end.

Hey you, get out of that room,  
Get off the ps4  
And Xbox too,  
Bike, Walk or Scoot to school,  
Saving the environment is really cool.

We hope you heard,  
This is the word,  
We want to protect our  
World,

World!

# Eco Committee

**E** is for Energy, save save save.

**C** is for Caddies, recycle your food waste.

**O** is for Off, please turn off your lights!

**C** is for Committee, working together

**O** is for opportunity to do something now

**M** is for members, you are all members too.

**M** is for more members; your parents, the governors and teachers too.

**I** is for individuals, at home and in school

**T** is for Team work, come on we need you

**T** is for Time, it can not be wasted

double **E** is for Everyone working together for the environment.
